

Merritt College

Summer CyberCamp 2.0 - 2019

(Week 1-Intro) June 17th – 21nd (Week 2-Advance) June 24th -28th

About:

Merritt College is hosting a two-week long summer CyberCamp 2.0 for middle and high school students, which features Ten days of no-cost introductory cybersecurity training.

Instruction is led by Merritt Community College Faculty. Training modules developed by the *CyberPatriot Program* cover a variety of topics including: hacking prevention, system hardening, access control, and system protection. The ten-day program ends with team competitions and awards.
