

# BIOTECHNOLOGY SUMMER CAMP

At the Biotechnology Summer Camp, you will learn how science, technology, engineering and math (STEM) all come together in the process of producing a new antibiotic for the American market. Explore various STEM careers and learn about business modeling and governmental regulations. Designed for incoming high school juniors and seniors.

**Camp is FREE to high school students enrolled in the concurrent enrollment program at Skyline College.**

Students will earn 1.5 units of college credit.

## **BIOL 695: Independent Study (Biotechnology)**

CRN 55281 | 1.5 units

July 22, 2019 - August 2, 2019

Monday - Friday | 9:30 a.m. - 4:00 p.m.
